SECTION 11: Pledge. The Corporation hereby covenants and agrees that the Pledged Revenues, with the exception of those in excess of the amounts required for the payment and security of the Parity Obligations, are hereby irrevocably pledged to the payment and security of the Bonds and Additional Obligations, if issued, including the establishment and maintenance of the special funds created and established in this Resolution and any Supplemental Resolution, all as hereinafter provided. The Corporation hereby resolves the Parity Obligations shall constitute a lien on the Pledged Revenues in accordance with the terms of this Resolution and any Supplemental Resolution, which lien shall be valid and binding and fully perfected from and after the date of adoption of this Resolution without physical delivery or transfer or transfer of control of the Pledged Revenues, the filing of this Resolution or any other act; all as provided in Chapter 1208 of the Texas Government Code.

Section 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted by the Corporation under this Section 11, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Pledged Revenues granted by the Corporation under this Section 11 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Corporation agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable

provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 12: Pledged Revenue Fund. The Corporation hereby covenants and agrees to establish and maintain a fund or account at a Depository for the deposit of the Pledged Revenues as received by the Corporation, which fund or account shall continue to be known on the books and records of the Corporation as the "Pledged Revenue Fund". All Pledged Revenues deposited to the credit of such Fund shall continue to be accounted for separate and apart from all other revenues, receipts and income of the Corporation and, with respect to the Gross Sales Tax Revenues, the Corporation shall further account for such funds separate and apart from the other Pledged Revenues deposited to the credit of the Pledged Revenue Fund. All Pledged Revenues deposited to the credit of the Pledged Revenue Fund shall be appropriated and expended to the extent required by the this Resolution and any Supplemental Resolution for the following uses and in the order of priority shown:

First: To the payment of the amounts required to be deposited in the Bond Fund for the payment of Debt Service on the Parity Obligations as the same becomes due and payable;

Second: To the payment of the amounts required to be deposited in the Reserve Fund to establish and maintain the Required Reserve in accordance with the provisions of this Resolution and any Supplemental Resolution;

Third: To the payment of amounts required to be deposited in any other fund or account required by any Supplemental Resolution authorizing the issuance of Parity Obligations; and

Fourth: To any fund or account held at any place or places, or to any payee, required by any other resolution of the Board which authorized the issuance of obligations or the creation of debt of the Corporation having a lien on the Pledged Revenues subordinate to the lien created herein on behalf of the Parity Obligations.

Any Pledged Revenues remaining in the Pledged Revenue Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other lawful purpose now or hereafter permitted by law.

SECTION 13: Bond Fund. For the purpose of providing funds to pay the principal of and interest on Parity Obligations, the Corporation covenants and agrees to maintain a separate and special account or fund on the books and records of the Corporation known as the "Allen Community Development Corporation Debt Service Account" (the "Bond Fund"), and all monies deposited to the credit of such Fund shall continue to be held in a special banking fund or account maintained at a Depository of the Corporation. The Corporation covenants that there shall be deposited into the Bond Fund prior to each principal and interest payment date from the Pledged Revenues an amount equal to one hundred per centum (100%) of the interest on and the principal of the Bonds then falling due and payable, and such deposits to pay principal and accrued interest on the Bonds shall be made in substantially equal monthly installments on or before the 10th day of each month, beginning on or before the 10th day of the month next following the delivery of the Bonds to the initial purchasers.

The required deposits to the Bond Fund for the payment of principal of and interest on the Bonds shall continue to be made as hereinabove provided until (i) the total amount on deposit in the Bond Fund and Reserve Fund is equal to the amount required to fully pay and discharge all Parity Obligations (principal and interest) then Outstanding or (ii) the Bonds are no longer Outstanding.

SECTION 14: Reserve Fund. The Corporation covenants and agrees to maintain on the books and records of the Corporation a separate and special fund or account known as the "Reserve Account" (the "Reserve Fund"), which fund or account is and shall continue to be a special banking fund maintained at a Depository. All Pledged Revenues deposited to the credit of such fund or account shall be used solely for the payment of the principal of and interest on the Parity Obligations when (whether at maturity, upon a redemption date or any interest payment date) other funds available for such purposes are insufficient, and, in addition, may be used to the extent not required to maintain the "Required Reserve", to pay, or provide for the payment of, the final principal amount of a series of Parity Obligations so that such series of Parity Obligations is no longer deemed to be "Outstanding" as such term is defined herein.

The total amount required to be deposited to the credit of the Reserve Fund by reason of the issuance of the Bonds (the "Required Reserve"), which amount is equal to the lesser of (i) the maximum annual Debt Service (calculated on a Fiscal Year basis) for all Parity Obligations currently Outstanding (after giving effect to the issuance of the Bonds) and (ii) the maximum amount that can be invested without restriction as to yield in a reasonably required reserve fund pursuant to Subsection (d) of Section 148 of the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder, as determined on the date the Bonds are to be delivered to the initial purchasers, will be determined when the Bonds are sold and will be stated in the Pricing Certificate. The Required Reserve shall be established and maintained (i) with Gross Revenues, (ii) with the proceeds of sale of Parity Obligations or (iii) by depositing to the Reserve Fund one or more surety bonds issued by a company or institution having a rating in the highest two rating categories (i.e., "AA-" or equivalent or higher) by at least one nationally recognized rating agency or services, or any combination thereof.

By reason of the issuance of the Bonds, the total amount required to be accumulated and maintained in said Fund shall be determined by the Pricing Officer and specified in the Pricing Certificate (the "Required Reserve") and the Pricing Officer shall determine and provide in the Pricing Certificate in the manner in which Required Reserve will be initially funded. The Pricing Officer is hereby authorized to executed any document or agreement in connection with funding the Required Reserve.

As and when Additional Obligations are delivered or incurred, the Required Reserve shall be increased, if required, to an amount equal to the lesser of either (i) the maximum annual Debt Service (calculated on a Fiscal Year basis) for all Parity Obligations then Outstanding (after giving effect to the issuance of the Additional Obligations), as determined on the date each series of Additional Obligations are delivered or incurred, as the case may be, or (ii) the maximum amount that can be invested without restriction as to yield in a reasonably required reserve fund pursuant to Subsection (d) of Section 148 of the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder. Any additional amount required to be accumulated and maintained in the Reserve Fund by reason of the issuance of Additional Obligations shall be accumulated by the deposit to the credit of the Reserve Fund of cash immediately after the delivery of such Additional Obligations.

While the cash and investments in the Reserve Fund total not less than the Required Reserve, no deposits need be made to the credit of the Reserve Fund. Should the Reserve Fund at any time contain less than the Required Reserve, the Corporation covenants and agrees to cause monthly deposits to be made to the Reserve Fund on or before the 10th day of each month (beginning the month next following the month the deficiency in the Required Reserve occurred by reason of a draw on the Reserve Fund or as a result of a reduction in the market value of investments held for the account of the Reserve Fund) from Pledged Revenues in an amount equal to 1/36th of the Required Reserve until the total Required Reserve then required to be maintained in said Fund has been fully restored. The Corporation further covenants and agrees that the Pledged Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve and to cure any deficiency in such amounts as required by the terms of this Resolution and any Supplemental Resolution.

During such time as the Reserve Fund contains the total Required Reserve, the Corporation may, at its option, withdraw any amount in the Reserve Fund in excess of the Required Reserve and deposit such surplus in the Pledged Revenue Fund.

SECTION 15: Deficiencies. If on any occasion there shall not be sufficient Pledged Revenues to make the required deposits into the Bond Fund or Reserve Fund, such deficiency shall be cured as soon as possible from the next available Pledged Revenues, or from any other sources available for such purpose.

SECTION 16: Payment of Bonds. While any of the Bonds are Outstanding, the designated financial officer of the Corporation shall cause to be transferred to the Paying Agent/Registrar, from funds on deposit in the Bond Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Bonds accrues or matures; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date of payment for the Bonds.

SECTION 17: Investments - Security of Funds. Money in any Fund required to be maintained pursuant to this Resolution may, at the option of the Corporation, be invested in obligations and in the manner prescribed by the Public Funds Investment Act (Texas Government Code, Chapter 2256), including investments held in book-entry form; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund will be available at the proper time or times and provided further the maximum stated maturity for any investment acquired with money deposited to the credit of the Reserve Fund shall be limited to five (5) years from the date of the investment of such money. Such investments shall be valued in terms of current market value within 45 days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within 45 days of the date of passage of each authorizing document of the Board pertaining to the issuance of Additional Obligations. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses debited to, the appropriate account of the Bond Fund. All interest and income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 14 hereof, be credited to and deposited in the Pledged Revenue Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Parity Obligations.

Money deposited to the credit of the Pledged Revenue Fund, Bond Fund and Reserve Fund, to the extent not invested and not otherwise insured by the Federal Deposit Insurance

Corporation or similar agency, shall be secured by a pledge of direct obligations of the United States of America, or obligations unconditionally guaranteed by the United States of America.

SECTION 18: Issuance of Additional Parity Obligations. Subject to the provisions hereinafter appearing as to conditions precedent which must be satisfied, the Corporation reserves the right to issue, from time to time as needed, Additional Obligations for any lawful purpose. Such Additional Obligations may be issued in such form and manner as the Corporation shall determine, provided, however, prior to issuing or incurring such Additional Obligations, the following conditions precedent for the authorization and issuance of the same are satisfied, to wit:

(1) The Treasurer of the Corporation (or other officer of the Corporation then having the primary responsibility for the financial affairs of the Corporation) shall have executed a certificate stating that, to the best of his or her knowledge and belief, the Corporation is not then in default as to any covenant, obligation or agreement contained in the Resolution or a Supplemental Resolution.

(2) The Corporation has secured from a certified public accountant a certificate or opinion to the effect that, according to the books and records of the Corporation, the Gross Sales Tax Revenues received by the Corporation for either (i) the last completed Fiscal Year next preceding the adoption of the Supplemental Resolution authorizing the issuance of the proposed Additional Obligations or (ii) any twelve (12) consecutive months out of the previous fifteen (15) months next preceding the adoption of the Supplemental Resolution authorizing the Additional Obligations were equal to not less than 1.50 times the Average Annual Debt Service for all Parity Obligations then Outstanding after giving effect to the issuance of the Additional Obligations then being issued. Additionally, for the purpose of providing this certificate or opinion, if the Corporation shall not have received Gross Sales Tax Revenues for a full 12 month period, one-half of the amount of sales tax revenues actually received by the City under Chapter 321, Texas Tax Code, may be used for the months during which the Corporation did not receive Gross Sales Tax Revenues. This requirement does not apply to refunding bonds that produce a net present value savings in each year of the refunding.

(3) The Required Reserve to be accumulated and maintained in the Reserve Fund is increased to the extent required by Section 14.

SECTION 19: Refunding Bonds. The Corporation reserves the right to issue refunding bonds to refund all or any part of the Parity Obligations (pursuant to any law then available) upon such terms and conditions as the Board may deem to be in the best interest of the Corporation, and if less than all such Parity Obligations then Outstanding are refunded, the conditions precedent prescribed (for the issuance of Additional Obligations) set forth in Section 18 hereof shall be satisfied, and shall give effect to the refunding.

SECTION 20: Right to Create Subordinate Debt. Except as may be limited by a Supplemental Resolution, the Corporation shall have the right to issue or create any debt payable from or secured by a lien on all or any part of the Pledged Revenues for any lawful purpose without complying with the provisions of Section 18 or 19 hereof, provided the pledge and the lien securing such debt is subordinate to the pledge and lien established, made and

created in Section 11 of this Resolution with respect to the Pledged Revenues to the payment and security of the Parity Obligations.

SECTION 21: Confirmation and Levy of Sales Tax. (a) The Board hereby represents the City has duly complied with the provisions of the Act for the levy of the Sales Tax at the rate voted at the election held by and within the City on May 4, 1996, and such Sales Tax is to be imposed within the corporate limits of the City and the receipts of such Sales Tax are to be remitted to the City by the Comptroller of Public Accounts on a monthly basis.

(b) While any Bonds are Outstanding, the Corporation covenants, agrees and warrants to take and pursue all action permissible to cause the Sales Tax, at said rate or at a higher rate if legally permitted, to be levied and collected continuously, in the manner and to the maximum extent permitted by law, and to cause no reduction, abatement or exemption in the Sales Tax or rate of tax below the rate stated, confirmed and ordered in subsection (a) of this Section to be ordered or permitted while any Bonds shall remain Outstanding.

(c) If hereafter authorized by law to apply, impose and levy the Sales Tax on any taxable items or transactions that are not subject to the Sales Tax on the date of the adoption hereof, to the extent it legally may do so, the Corporation agrees to use its best efforts to cause the City to take such action as may be required to subject such taxable items or transactions to the Sales Tax.

(d) The Corporation agrees to take and pursue all action legally permissible to cause the Sales Tax to be collected and remitted and deposited as herein required and as required by the Act, at the earliest and most frequent times permitted by law.

(e) The Corporation agrees to use its best efforts to cause the City to comply with the Act and shall cause the Gross Sales Tax Revenues to be deposited to the credit of the Pledged Revenue Fund in their entirety immediately upon receipt by the City. In the alternative and if legally authorized, the Corporation shall, by appropriate notice, direction, request or other legal method, use its good-faith efforts to cause the Comptroller of Public Accounts of the State of Texas (the "Comptroller") to pay all Gross Sales Tax Revenues directly to the Corporation for deposit to the Pledged Revenue Fund.

SECTION 22: Records and Accounts. The Corporation hereby covenants and agrees that while any of the Bonds are Outstanding, it will keep and maintain complete records and accounts in accordance with generally accepted accounting principles, and following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants. Each such audit, in addition to whatever other matters may be thought proper by the accountant, shall particularly include the following:

(1) A statement in reasonable detail regarding the receipt and disbursement of the Pledged Revenues for such Fiscal Year; and

(2) A balance sheet for the Corporation as of the end of such Fiscal Year.

Such annual audit of the records and accounts of the Corporation shall be in the form of a report (and may be reflected in the audit of the City) and be accompanied by an opinion of the accountant to the effect that such examination was made in accordance with generally accepted auditing standards and contain a statement to the effect that in the course of making the

examination necessary for the report and opinion, the accountant obtained no knowledge of any default of the Corporation on the Bonds or in the fulfillment of any of the terms, covenants or provisions of this Resolution, or under any other evidence of indebtedness, or of any event which, with notice or lapse of time, or both, would constitute a failure of the Corporation to comply with the provisions of this Resolution or if, in the opinion of the accountants, any such failure to comply with a covenant or agreement hereof, a statement as to the nature and status thereof shall be included.

Copies of each annual audit report shall be furnished upon written request, to any Holders of any of said Bonds. The audits herein required shall be made within 180 days following the close of each Fiscal Year insofar as is possible.

The Holders of any Bonds or any duly authorized agent or agents of such Holders shall have the right to inspect such records, accounts and data of the Corporation during regular business hours.

SECTION 23: Representations as to Security for the Bonds. (a) The Corporation represents and warrants that, except for the Parity Obligations, the Pledged Revenues are and will be and remain free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge and lien created in or authorized by this Resolution except as expressly provided herein.

(b) The Bonds and the provisions of this Resolution are and will be the valid and legally enforceable obligations of the Corporation in accordance with their terms and the terms of this Resolution, subject only to any applicable bankruptcy or insolvency laws or to any laws affecting creditors rights generally.

(c) The Corporation shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Revenues and all the rights of the Holders against all claims and demands of all persons whomsoever.

(d) The Corporation will take, and use its best efforts to cause the City to take, all steps reasonably necessary and appropriate to collect all delinquencies in the collection of the Sales Tax to the fullest extent permitted by the Act.

(e) The provisions, covenants, pledge and lien on and against the Pledged Revenues, as herein set forth, are established and shall be for the equal benefit, protection and security of the owners and holders of Parity Obligations without distinction as to priority and rights under this Resolution.

(f) The Parity Obligations shall constitute special obligations of the Corporation, payable solely from, and equally and ratably secured by a parity pledge of and lien on, the Pledged Revenues, and not from any other revenues, properties or income of the Corporation. The Bonds may not be paid in whole or in part from any property taxes raised or to be raised by the City and shall not constitute debts or obligations of the State or of the City, and the Holders, shall never have the right to demand payment out of any funds raised or to be raised by any system of ad valorem taxation.

SECTION 24: Satisfaction of Obligation of Corporation. If the Corporation shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Resolution,

then the pledge of the Pledged Revenues under this Resolution and all other obligations of the Corporation to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the Bonds on the Stated Maturities thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor accepted to the Paying Agent/Registrar have been made) the redemption date thereof. The Corporation covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section in excess of the amount required for the payment of the Bonds shall be remitted to the Corporation or deposited as directed by the Corporation. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of four (4) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the Corporation, be remitted to the Corporation against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the Corporation shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 25: Resolution a Contract - Amendments. This Resolution, together with the Pricing Certificate, shall constitute a contract with the Holders from time to time, be binding on the Corporation, and shall not be amended or repealed by the Corporation while any Bond remains Outstanding except as permitted in this Section and in Section 42 hereof and the Pricing Certificate.
