WHEREAS, funds from the Collin County Emergency Housing and Living Assistance Program ("Program") known as COLLIN CARES, have been allocated to utilize funds for Food, Rental, Mortgage, and Utility Assistance for Eviction / Foreclosure Prevention for Residents of Collin County; and

WHEREAS, the City has determined that it is in the best interests of the citizens of Collin County under its Collin County ILA that the funds should be utilized for the purposes for which they were granted; and

WHEREAS, the City and Agency desire to enter into this Agreement to set forth the terms and conditions by which such Grant funds will be expended; and

WHEREAS, the City finds that expending public funds for the Grant purposes stated above is a valid public purpose.

NOW, THEREFORE, for and in consideration of the covenants, obligations, and undertakings of each of the respective Parties to the Agreement, the Parties hereto agree as follows:

SECTION I

Consideration

In consideration of Agency performing the services as set forth in Section II, below, the City shall administer and make available Grant funds in an amount not to exceed **\$775,000.00**.

SECTION II

Permitted Uses of Funds, Conditions of Use

Agency shall use any and all funds furnished by City under this Agreement for the purposes set forth in Exhibit "A" and for no other purpose. Exhibit "A" is attached to this Agreement and is fully incorporated by reference.

Agency agrees the expenditure of the funds shall be completed on or before December 1, 2020. Any Grant funds remaining with Agency which are not expended or encumbered before said date shall be returned to City.

If, during the term of this Agreement, Agency wishes to utilize funds for purposes other than stated above, such change will be allowed only if the proposed change is not in violation of grant policy and applicable Federal regulations. Such change may be allowed only after written approval by the City and approval by Agency's Board, as evidenced by the official minutes of the Board authorizing the change. No expenditure of funds in conformance with the proposed change is permitted until written approval is received from the City.

Agency agrees to the General Conditions of the Grant as set forth in the attachment entitled "General Conditions of Agreement," which is made a part of this Agreement and is incorporated herein as Exhibit "B".

However, since this is a countywide effort, it should be noted that if the need is greater than anticipated in another area of the county or the agency is not able to distribute funds in a timely manner, the remaining funds may be reallocated after consultation with the agency. Additionally, when and if the county releases a second round of funding, the agencies that are experiencing greater need will receive a larger percentage of the allocation.

Grant Funds for Direct Program Costs (Administration) shall be requested on a reimbursement basis upon proof of an eligible expenditure. Agency is required to report monthly on all Rent, Utility and Food Assistance, including remaining amounts. Agency shall submit a request to City's Administrator for reimbursement of Direct Program Costs (Administration) not to exceed 10% of Rent, Utility and Food Assistance provided, on a monthly basis. The actual number of cards will be determined based on the percentage of funding allocated. Tracking of gift cards is required in monthly reports but will not be considered part of direct program costs (administration). Once the final percentage is known an addendum to this contract will be executed between the city and agency.

The Agency shall document all eligible grant expenditures for purposes authorized by this Agreement. Expenses incurred after the termination date of this Agreement, as indicated by date of expense, invoice or bill, may not be reimbursed under this Agreement and the City shall assume no liability for their payment.

PERMITTED USES OF FUNDS**

General Statement of Work Items

Activity

The County has received federal funding, from the Department of the Treasury, under the Coronavirus Aid, Relief, and Economic Security Act (hereinafter "CARES ACT") to address and respond to the effects of the COVID-19 public health emergency. Providing emergency housing and living assistance where people have become unemployed or underemployed directly as a result of the COVID-19 public health emergency is an example of an expenditure made necessary by the COVID-19 public health emergency. This program is to provide funding assistance to residents of Collin County in default or near default on the residential lease or mortgage for their housing unit, or in danger of losing their housing unit due to the effects of the COVID-19 public health emergency, and to provide for assistance with utilities and food for families whose income has been disrupted by the COVID-19 public health emergency (hereinafter "Collin CARES Program" or "Program"). The first funding release of \$30,000,000 will be available June 1, 2020.

The Cities of Allen, Frisco, McKinney, and Plano ("the Cities") are responsible for overseeing the disbursement of these funds to residents through eligible nonprofits. The Cities have selected the subrecipient under the Collin CARES Program, (the "Program"), to provide temporary financial assistance and food services to individuals and families, impacted by the COVID-19 pandemic, who are at risk of becoming homeless.

The Agency receiving program funding will also be referred to interchangeably as "Subrecipient," with regard to this funding, supported through the U.S. Department of the Treasury. The agency agrees to provide information to support subrecipient documentation, including its Tax I.D. Number, DUNS/CCR number as required by HUD. All agencies must be in good standing at the federal, state and local levels. In addition, agencies must:

- Must be registered in <https://sam.gov/SAM/> during the award period and thereafter under the record retention period.
- Submit all required 990s to the IRS and Single Audits, per 2 CFR 200, Subpart F- Audit Requirements to the Federal Clearing House at the end of its fiscal year.
- Organizations must submit reports and other required documentation timely
- Ensure there are no Conflicts of Interest, per HUD requirements

As the Subrecipient is acting on behalf of the Cities, the awarded organization will be required to assist the Cities in demonstrating accurate program benefit for the project activities implemented. Subrecipient will agree to work diligently toward the objectives outlined.

If it is determined that any of the objectives will not be completed within the identified timeframe, the Subrecipient must notify the City's representative immediately. Failure to meet the objectives may result in incidents of non-performance and may have an adverse impact on the consideration of future grant submissions of other cities.

Scope of Service

Homelessness Prevention and Food Distribution Services may be provided in the following eligible Collin CARES categories:

1. Financial Assistance: short-term rental, mortgage (excluding property taxes), or utility (excluding municipal bills such as water) assistance.
2. Food Distribution: providing gift cards for food products to eligible Clients. All gift cards must be distributed by November 1, 2020.

Documentation shall be supplied to the City upon request in order for the City to fulfill its obligations under its federal grant. If this documentation is not maintained and furnished to the City on request, the City may exercise all remedies available under this Agreement, including the right to withhold payment or terminate this Agreement as described therein.
