WHEREAS, the Professional desires to render services for the City on the terms and conditions set forth in this Agreement;

NOW THEREFORE, in consideration of the mutual covenants set forth herein, and other valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the Parties agree as follows:

Article I
Term

1.1 This Agreement shall commence on the last date of execution hereof ("Effective Date") and continue until completion of the services, unless sooner terminated as provided herein.

1.2 Either Party may terminate this Agreement by giving thirty (30) days prior written notice to the other Party. In the event of such termination the Professional shall deliver to City all finished and unfinished documents, data, studies, surveys, drawings, maps, models, reports, photographs or other items prepared by the Professional in connection with this Agreement. Professional shall be entitled to compensation for any services completed to the reasonable satisfaction of the City in accordance with this Agreement prior to such termination.

Article II
Scope of Service

2.1 The Professional shall perform the services in connection with the Project as set forth in the Scope of Services. The Professional shall perform the services: (i) with the professional skill and care ordinarily provided by competent engineers or architects, as the case may be, practicing in the same or similar locality and under the same or similar circumstances and professional license; and (ii) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect, as the case may be. If the Professional is not a

licensed engineer or registered architect, the Professional shall perform the services: (i) with the skill and care ordinarily provided by similar consultants practicing in the same or similar locality and under the same circumstances and applicable licenses or certifications; and (ii) as expeditiously as is prudent considering the ordinary skill and care of similar competent consultants.

2.2 The City shall, prior to commencement of services, provide the Professional with the information set forth in the Scope of Services, if any.

2.3 Licenses. Professional represents to City that Professional possesses any and all licenses which may be required by the State of Texas or any other governmental entity having jurisdiction as may be necessary for the performance of Professional's services pursuant to this Agreement.

2.4 The Parties acknowledge and agree that any and all opinions provided by the Professional in connection with the Scope of Services represent the professional judgment of the Professional, in accordance with the standard of care applicable by law to the services performed hereunder.

2.5 Upon execution of this Agreement the City has the right to use the Professional's instruments of service, including but not limited to reports, maps, cost estimates, recommendations or other deliverables for the Project, provided that the City substantially performs its obligations, including prompt payment of all sums when due, under this Agreement. The City's employees, agents, contractors and subcontractors may reproduce applicable portions of the instruments of service for use in performing services or construction for the Project. Upon payment of all amounts due Professional hereunder, all deliverables, materials and reports prepared by the Professional in connection with this Agreement shall become the property of the City. The City shall have the right to publish, disclose, distribute and otherwise use such deliverables, materials and reports only for those purposes for which they were intended. Subject to the foregoing, Professional shall, upon completion of the services, or earlier termination, provide the City with the deliverables, drawings, reports, maps, and materials prepared by Professional as set forth in the Scope of Services.

Article III Schedule of Work

The Professional agrees to complete the required services in accordance with the Project Schedule outlined in the Scope of Services.

Article IV Compensation and Method of Payment

4.1 Professional will be compensated in accordance with the payment schedule and amounts set forth in the Scope of Services. Unless otherwise provided herein, payment to the

Professional shall be monthly based on the Professional's monthly progress report and detailed monthly itemized statement for services that shows the names of the Professional's employees, agents, contractors performing the services, the time worked, the actual services performed, the rates charges for such service, reimbursable expenses, and the amount due and payable as of the current statement, in a form reasonably acceptable to the City. Monthly statements shall include authorized non-salary expenses with supporting itemized invoices and documentation. The City shall pay such monthly statements within thirty (30) days after receipt and City verification of the services and expenses unless otherwise provided herein. The final payment of the compensation shall be made after satisfactory completion of the services following the City acceptance of the study, report, recommendation or other work set forth in the Scope of Services, and the submittal of "AS BUILT" drawings, or record drawings, as applicable.

4.2 Unless otherwise provided in the Scope of Services the Professional shall be responsible for all expenses related to the services provided pursuant to this Agreement including, but not limited to, travel, copying and facsimile charges, telephone, internet and email charges.

4.3 The hourly rates set forth in the Scope of Services, if any, shall remain in effect during the term of this Agreement. Any changes to established hourly rates shall require the prior written consent of the City.

Article V Devotion of Time; Personnel; and Equipment

5.1 The Professional shall devote such time as reasonably necessary for the satisfactory performance of the services under this Agreement. Should the City require additional services not included under this Agreement, the Professional shall make reasonable effort to provide such additional services within the time schedule without decreasing the effectiveness of the performance of services required under this Agreement, and shall be compensated for such additional services on a time and materials basis, in accordance with Professional's standard hourly rate schedule, or as otherwise agreed between the Parties.

5.2 To the extent reasonably necessary for the Professional to perform the services under this Agreement, the Professional shall be authorized to engage the services of any agents, assistants, persons, or corporations that the Professional may deem proper to aid or assist in the performance of the services under this Agreement. The Professional shall provide written notice to and obtain written approval from the City prior to engaging services not referenced in the Scope of Services. The cost of such personnel and assistance shall be included as part of the total compensation to be paid Professional hereunder and shall not otherwise be reimbursed by the City unless otherwise provided herein.

5.3 The Professional shall furnish the facilities, equipment and personnel necessary to perform the services required under this Agreement unless otherwise provided herein.

5.4 The Professional shall submit monthly progress reports and attend monthly progress meetings scheduled by the City or more frequently as may be required by the City from

time to time based upon Project demands. Each progress report shall detail the work accomplished and special problems or delays experienced on the Project during the previous report period, and the planned work activities and special problems or delays anticipated for the next report period.

Article VI Miscellaneous

6.1 Entire Agreement. This Agreement constitutes the sole and only agreement between the Parties and supersedes any prior understandings written or oral agreements between the Parties with respect to this subject matter.

6.2 Assignment. The Professional may not assign this Agreement without the prior written consent of City.
