Subject: Resignation from the CDC

Dear President Chrisman,

I wish to tender my resignation from the Community Development Corporation of Allen effective immediately. It is with regret that I must do this, but my career [REDACTED] demands more travel from me that shows no signs of abating. In due fairness to the CDC, the citizens of Allen, and city staff, it is only right that I make room for someone that has the ability to meet the commitment to the CDC meetings and discussion. I have enjoyed my time on the CDC, am grateful for my involvement, and look forward to great things in Allen as a direct result of the board's engagement.

Thank you,
Mike Freiburger
