To: Shelley George

City Secretary | City Of Allen| 305 Century Pkwy| Allen| Tx | 75013

Dear Shelley and all members of the City Council:

I am tendering my official letter of resignation from the position I currently hold as I have transferred out of Allen and therefore no longer qualify to continue with this particular responsibility.

It has been a pleasure being a part of this board. I have learned many beneficial things, and have established great new business relationships as a result of my time with each and every one of you.

Please keep me in mind for any opportunities to serve this wonderful community that I have raised my family in, and continue to reside in.

Sincerely,

A handwritten signature in black ink that reads "Rhonda Staples". The signature is fluid and cursive, with a long horizontal line extending from the start of the name.
