Good morning Mayor Terrell and Allen City Council,

I write today thanking you for the opportunity that you have given me to serve on the Planning and Zoning Commission for the last three years. It is with both sadness and excitement, that as of this morning I will be resigning my position in order to run for the open Seat No. 3 in the upcoming May election. I appreciate the trust that you gave me to represent the City of Allen during my tenure on the commission and I look forward to what opportunities lie ahead for me to serve my community.

Warmest regards,

Luke A. Hollingsworth
