- Rolloff Recycling Containers- Larger Volume Commercial Recyclers

	<u>Fee Per Haul</u>	<u>Trash Haul Fee</u>	<u>Savings/Haul by Recycling</u>
○ Any Rolloff Container	\$350.00	\$548.48	\$198.48
○ Additionally, larger volume Rolloff Recyclers qualify for a recycling profit sharing rebate to further encourage recycling. The customer rebate from profits vary from 40 to 85 percent of the net value of the commodity sold. The profit-sharing template is incorporated into the current franchised waste carrier's current contract.			

- For unique recycling requirements, the franchisee will develop special cost proposals that the City will review before presentation to the customer. Unique situations include special recycling circumstances such as when businesses are striving for Leadership in Energy and Environmental Design (LEED) certification for facilities under construction or renovation.
