12 WEEKS

IMPORTANT NOTICE ABOUT CARRIER: The base bid for this Project has specified Carrier as the Chiller #1 manufacturer; however, Bidders may provide a submittal and separate Bid Submission Form (pricing and lead time) for alternate manufacturers. Alternate Chiller submissions are required to meet or exceed all specifications for a Carrier chiller; and must fit within the existing pad footprint, to be considered. Separate Bid Submission Form and equipment submittal, must be attached to base bid for alternate chiller submissions to be considered.
